

WSSO Standards Committee

NEW Standard Initiation Approval

Board of Governors Approval date: 06/5/2025

Institute of Technical Information for Building Materials Industry:

This is to certify that, in May 2025, upon review and approval by the WSSO Standards Committee Board of Governors, your organization's standard proposal, " **WSSO Technical Requirements for Energy-saving and Carbon Reduction in Flat Glass Production**", has been officially initiated as a standard draft with the designation WSSO SP-2025-13. The working group is chaired by your organization's expert, "Duanjing Wu" .

The seal is circular with a blue border. Inside the border, the text 'WORLD SUSTAINABILITY STANDARD ORGANIZATION' is written in a circle. In the center, there is a smaller circle containing the 'WSSO' logo and the words 'STANDARDS COMMITTEE'.
